

# Federation Cooperative Scholarship

Every year, Federation Cooperative offers a **\$1,000.00** college scholarship to a graduate from the Alma Center-Humbird-Merrillan, Augusta, Black River Falls, Blair-Taylor, Melrose-Mindoro, Neillsville, Osseo-Fairchild, and Whitehall school districts.

There are two criteria for this scholarship:

1. The student's parent/guardian must be a member of Federation Cooperative.
2. The student must obtain a grade point average of 2.5 or higher after the first semester.

It is preferred that the student is studying agriculture, but it is not mandatory. Federation Cooperative will submit payment directly to the student after the successful completion of one semester. It will be the student's responsibility to send us the proof of completion so payment may be submitted.
